**Genitourinary Physician Scientist**

The Department of Pathology at Northwestern University Feinberg School of Medicine seeks a full-time tenure track investigator at the rank of Assistant, Associate, or Full Professor. Responsibilities include: carry out both independent research and engage in collaborations with other researchers within Northwestern. Service responsibilities in diagnostic genitourinary pathology or other areas dependent on applicant career goals. Participate in graduate student, medical student and resident/fellow teaching and mentoring, as well as service on department, school or university committees.

Qualified candidates will be physician-scientists (MD or MD, PhD).

The start date is negotiable and the position will remain open until filled.

**Online Application Instructions**

Please read ALL instructions and make preparations before proceeding to the application page:
- Applications will only be accepted via online submission (see link below).
- Please prepare all documents in advance as Adobe PDF files, and please be sure all information is entered correctly and accurately (especially names and email addresses), as there will be no opportunity for online revision after your application has been submitted.
- All required fields in the application form are marked with an asterisk and must be filled before clicking the “Submit” button.
- Be aware that incomplete applications cannot be saved.
